PASTOR'S MESSAGE

IOAN ITTU

Associate Pastor

pastorioan@bethlehemplutheran.net

Thank you for your pledges of time, talent and treasure. Your pledges will help Bethlehem's leadership determine the scope of our ministry in the upcoming year. Thank for all you've done and will continue to do as part of God's church.

So, what will we do with your generosity? At an evangelism meeting we discussed that evangelism is so much more than advertising. The work of evangelism is introducing people to the love of God. With your generosity, Bethlehem will create more impactful ways for God to meet us and meet those who have yet to fully know the love of their friend God.

One of my friends in Seminary thought of himself as a punk monk. He had a regimented daily prayer life and lived very simply. But he was also in a punk band, and dispensed sage wisdom between acts to guys with face tattoos and safety pins through their lower lip. He finds that God meets people in 4 different ways: Praise, Contemplation, Study and Service.

Praise is when our emotions get engaged as we feel God's love for us in prayer and singing. Contemplation is a bit more cerebral where we meditate on God's love for us through sermons, hymns and rituals. Study is for those who feel closest to God's love when they are learning something about God or God's world or our purpose in God's world. Service is for those who feel God's love most powerfully when they are tangibly helping another person or helping make the world a safer and more just place for others.

Our contemporary worship with its prayer and praise worship style helps us feel God's love as we sing to God. Our traditional worship and choir ministry helps us meditate on the depth of God's love. You are engaged heart and head at both services in high quality and meaningful ways that communicate God's love in a style of your preference. For those who meet God in learning, we have Wednesday Study, WELCA Study, and Sunday Study. For those who meet God through compassionate love for the neighbor, our social ministry helps with LSS, food pantry donations, Mexico home builds, our international missionaries and much more. Our evangelism ministry tries to bring the love of our church to new people. And we also serve each other caring for people already in the congregation through our visitation, fellowship and youth ministries. We are a robust congregation that offers a wide range of ways for God's love to meet people where they are and as they need. And all this is only possible because of your generosity. Thank you.

SUMMARY OF BETHLEHEM COUNCIL MINUTES – MAY 15, 2019

Present at the meeting were Pastors Megan Fryling and Ioan Ittu, Sarah Karzel, Sue Akin, Brian Grefsrud, Janet Puchlik, Marilyn Fursman (part), and Mary Fisher.

Devotions were shared by Mary, followed by a prayer by Pastor Megan. The May minutes were reviewed and approved as presented.

TOPICS

June 9th Round Table Discussion

Sarah shared a debrief of the responses that were shared at the round table. The majority of participants agreed that Music Ministry and having two Pastors are our two most important assets and that they are both necessary for the growth of other ministries. Other ideas that came out of the session – the desire for a photo directory for the congregation, and a reminder that everyone should put first and last names on name tags on Sundays.

Tithe Discussion

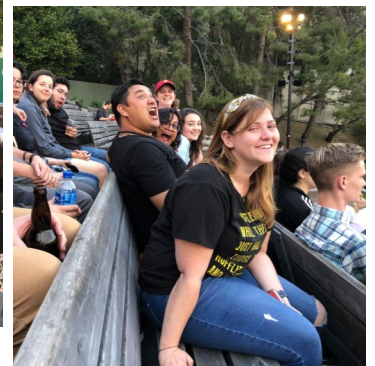

Marilyn Fursman shared information on the requests that were made for grants from the St. Stephens endowment fund, to come out of the portion of the short term fund set aside for a tithe. Twenty nine requests were received and are currently under consideration.

Marilyn also submitted a specific resolution on behalf of our congregation as a recipient. She identified certain areas that are obstacles to growth, (such as a shortage of meeting spaces for adults, lack of professional office space, no permanent storage space, no sacristy, the sound quality in the fellowship hall, clear signage, the need for expanded social media presence) and proposed that all or some of the funds be used to address these issues. The council voted to approve use of the funds (if granted) per the resolution.

Budget

Brian presented the budget for preliminary review.

The meeting was adjourned with a prayer.
The next meeting will be on July 10.

PRESIDENT'S MESSAGE

Dear Fellow Bethlehem Members,

At a recent Council meeting, a question arose as to why some of our members were apparently unaware that we had planned our Stewardship campaign for June. We had sent out an email several weeks before. Pastor Megan quickly pulled up her Mail Chimp app and reported that 63% of the congregation had opened that email. She added that 63% is a fairly normal number for Bethlehem emails and above average for congregations over all.

When I took on this role in January, I knew that communication was an issue. It's an issue in every organization. We had added council minutes to the newsletter some years before. We added the weekly email a few years later. I naively thought that adding this message to the newsletter would help alleviate the problem. I continue to hear, though, with about the same frequency, "How come I didn't know about X."

At the round table discussions on June 9, I heard lots of great suggestions about lots of things, including communication. What struck me was the degree to which the suggestions differed. They ranged from robocalls to Facebook posts to more announcements in the services. So what that means to me is that different methods will reach different members. But what adds an additional level of difficulty is that one person's favorite method is an aggravation to others.

So we will continue to try to refine our communication tools. I'm wishing right now that I had a degree in communications. Maybe one of you out there does. I would certainly welcome input from any and all of you about this thorny problem. You know where to find me – president@bethlehemlutheran.net, 818-261-0629.

Respectfully Submitted,
Sarah Karzel

STEWARDSHIP LETTER

Dear Fellow Members of Bethlehem,

Last Sunday was Pledge Sunday! I loved the act of bringing our pledges forward to the front of the church. It reinforced for me the pledge as an act of faith and as a confirmation of our congregation as a community working together. Forty-eight other families joined Ron and me in coming forward with our pledges. It was great to be part of this group of generous souls. I am confident there are more of you who were not there Sunday and have not yet made your pledges, but we look forward to receiving them.

With regard to the pledges of treasure, I want to let you know where we are and how the process works. So far, our pledges total about \$185,000. This is a tremendous expression of faith. As I said above, I know there are more of you out there who have not yet pledged, and we know from experience that some of you who don't pledge will nonetheless give generously and consistently. The first draft of our budget for 2019/2020 included total estimated giving of \$295,000. This reflects a modest increase from our combined giving over the last few years. You all know how budgets work; if we are not able to get to an estimate of \$295,000, based on pledges and our best guess as to unpledged giving, then cuts will have to be made to ministries.

Estimating giving will be a little more challenging this year than it has been in the past because of the merger. And that is why I'd like to ask you again to take that extra step of making a pledge. You can fill out a pledge card or email your pledge to Brian at Treasurer@Bethlehemlutheran.net. It will feel good (I promise), and it will enable the council to produce a more accurate budget.

Thank you all for your devotion and generosity to Bethlehem!

Respectfully Submitted,
Sarah Karzel

SYNOD ASSEMBLY 2019 REPORT

BEVERLY COMPTON-SCHOOL BOARD CHAIR

preschoolchair@bethlehemlutheran.net

David and I enjoyed attending the Synod Assembly at Cal Lutheran. Highlights included networking with former Bethlehem Pastors Nelson, Challis and Chandler; attending excellent workshops -Transgender 101 and Congregational Care of Old Adults. The African American Lutheran Worship Service was outstanding. During the Assembly Bishop Erwin was reelected. David and I learned a lot of interesting information and enjoyed networking with new and old friends from across our synod. I hope that when next year's Synod Assembly comes around that you will eagerly volunteer to attend, you will not regret it!

MUSIC NOTES

VICENTE DITTO

Senior Music Minister

vicenteditto@bethlehemlutheran.net

At the time of writing this article, our summer fundraiser concert for Hope Gardens has yet to occur, but I know the musical ensembles will do a great job. Our plan is to have a fundraising concert every summer for a charitable group with a preference for organizations associated with the ELCA. The Christmas concert will remain a fundraiser for the music department.

SOCIAL MINISTRY

Tickets are now on sale for the August 23rd Pasta Dinner to celebrate the visit of Mark and Cynthia Holder, our Tanzanian missionaries. Tickets are \$10 per person and all proceeds go toward the cost of their travel. Other donations are also happily accepted to help offset the costs of the dinner. Please see Mary Fisher for tickets or to inquire how you can help! You can also text or call her at 818.426.7739.

ADULT EDUCATION

Thanks to all who took time to stop and chat at the Adult Education table at the recent Ministry Fair.

In addition to the ongoing Wednesday 10:15 a.m. Bible study, Sunday 12:15 p.m. sermon discussion, and the bishop's lecture series (Sat., July 13, noon to 2 p.m.), new options offered included "Discover the Bible," "Discover Jesus," seasonal play production, and a Summer Academy smorgasbord. The new options likely will be on hold as there was not enough interest shown to pursue them at this time. "Member Care and Visitation" training will be arranged for those who wanted to learn more about that.

The Adult Education team is anxious to hear from you about what you would be interested in exploring and when you are available. Would it be studying a particular topic? A book of the Bible? A theme? Current events? What it means to be Lutheran? Comparative religions? Faith testimonies? The body, mind, and spirit connection? Spiritual growth doesn't have to end with Sunday School or confirmation training—it can take place throughout our lives and be a source of encouragement and refreshment on our journey. If you are not already participating in a class, please talk to someone on the Adult Education team (Pr. Megan Fryling, Marilyn Fursman, Nancy Hall, or Dorothy Stilling) about your wishes for spiritual enrichment.

MEN'S MONTHLY BREAKFAST

We invite men of all ages to join us for fellowship the first Wednesday of every month at 7:30 a.m. at Coco's Restaurant in Mission Hills. See you August 7th!

IS IT TIME TO REVIEW YOUR LIFE?

You have a unique story to tell and it's worth sharing and preserving.

This is an invitation to join a new class called "Remembering Your Story—Creating Your Spiritual Autobiography," written by Richard L. Morgan. In ten 90-minute sessions, we will look back over our lives and take note of where God was active and share our stories with each other. Reflecting on Bible stories, you will see how your story connects with the continuing story of the people of God. This is a deeply moving and ultimately uplifting experience. If you choose to write it down, you will leave something meaningful beyond money or property — your own faith story— a spiritual legacy — to benefit your family, friends, and future generations.

For more information, and to arrange a start date, contact Marilyn Fursman,; mcfursman@icloud.com Adult Education team.

ADULT EDUCATION TEAM MEETING

The next Adult Education team meeting is July 16 at 1:00 p.m.

JULY NEWS FROM LUTHERAN SOCIAL SERVICES

A STORY:

Bricia left Veracruz, Mexico at the age of 19. It took her one year to save enough money to cross the border, alone, into the United States. She had four sisters living with her Mom and a step-father. Her Mom was jealous of all of her sisters and herself because of the attention their step-father gave all of the girls, and was emotionally abusive. She said she was contemplating killing herself or leaving her family home. Thankfully, she decided on the latter.

When she got to the U.S. she was taken in by an aunt on her Mother's side and lived with her aunt for 7 years. During that time, she worked at an animal kennel in Sun Valley, cleaning cages and grooming dogs and cats. She worked 7 days a week from 7 a.m. to 6 p.m. for 9 years for below minimum wage all those years.

She eventually moved out of her aunt's apt. and into a singles apt. house. She met her husband, Eduardo, while living there when he was visiting his mother. Bricia knew his mother for several years before that, and she lived two doors down from her. They met on a Sunday and were married one month later. They have three sons, Gustavo, 18, Carlos, 16 and Diego, 13. Gustavo is a special needs adult.

Bricia first came to LSS when she saw the doors open on Valerio Street and thought that the church was re-opening. She had attended Iglesias San Pablo several times in the past and was excited to think it was re-opening again. When she entered, she saw the LSS thrift shop and food pantry, and that was the beginning of her coming to what she calls "The Mall."

Bricia's family is food insecure. With 4 full grown adult men in the house, she never has enough food. For breakfast, she cooks a full meal of pancakes, sometimes eggs if she can afford them or if LSS has them. Her husband goes to work, her sons to school, and she does not pack anything for lunch for them because she does not have enough food in the house to do so. When everyone gets home around 4, they are all starving, and she begins their dinner, mostly consisting of beans, veggie, potatoes and a little meat. She says that LSS has helped her immensely with food – bread, dairy products, chicken, pork patties, veggies and the thing her family loves the most is when LSS has desserts – cookies, cakes, fruit – things they could never afford to buy. Oh – and chips – don't forget the chips!

Bricia's family also shops at our Thrift Store almost exclusively for both herself, her sons and her husband. They cannot afford to go to a Macy's or Penney's, so they use our Thrift Store to buy their clothes, shoes and jackets for both work, play and school.

There are hundreds of Bricia's that come to LSS – and thanks to all of you, through your donations, we have become a community for each and every family and individual.

Come visit and see for yourself!!

INCREDIBLE OPPORTUNITY ON TWIN VALLEYS PARISH INTERIM BOARD

BEVERLY COMPTON-SCHOOL BOARD CHAIR

preschoolchair@bethlehemplutheran.net

As the Twin Valley Conference Co-Chair, I have spent the last year working with the Twin Valley team toward the goal of establishing a collaborative engagement. As such during the TV conference assembly, the TV team presented our final report for our Strategic Vision. The key areas identified were: Congregational Sustainability, Youth and Young Adult Ministry, Homelessness and poverty ministry

and Latinx ministry. During the June TV assembly, it was unanimously voted to accept the TV Strategic Vision and to establish a TV Parish. A Twin Valleys Parish Interim Board will be created to carry the strategic project forward to implementation. The interim board shall be comprised of one rostered leader and/or one lay member of each participating congregation. It has been a pleasure to work this past year with the TV Conference, however, I have decided to step down from this role in order to pursue other endeavors. As such, I am hoping that a member from Bethlehem would be interested in volunteering for the interim board for the TV Parish. This is an excellent opportunity to work first hand with the congregations in our conference and focus on areas that are so important to our community. If you are interested or have any questions, please let Pastor Megan or myself know.

Time and Talent

Thank you to everyone who took time to visit the Stewardship Ministry Faire and filled out a Steward Commitment Card. Now what will happen? The Stewardship team will provide each team leader with those who had interest in their areas of ministry. Everyone will receive acknowledgement of their interest even if the particular ministry is not happening at the moment such as Drama.

We will also be able to let everyone know what ministries are still in need of volunteers such as counters or VBS Director for 2020. Watch for more details in the weekly announcements, emails, and the next newsletter.

NEWS FROM OUR SPONSORED MISSIONARIES

The end of our SECOND FULL YEAR OF TEACHING is coming VERY SOON! (can you hear the cheering from there????) We are grateful, happy for our students, and often frazzled with all there is to do to finish the semester. As we write, classes have come to an end and exams start in a couple weeks. We are both supervising students at the Bachelor's, Master's and PhD levels, so there's a lot of advising left to do. Thanks in advance for your prayers!

JUNE was a very busy month. Three ELCA bishops, two representatives from the Women of the ELCA (WELCA), and two ELCA Global Mission Area Program Directors, and three representatives from the

Lutheran World Federation came to visit Tanzania and the ELCT for the ELCT Quadrennial Clergywomen Consultation. We were very grateful to be able to attend this historic event. Most of the ELCT ordains women, and in many of those dioceses, clergywomen continue to struggle to find good and meaningful pastoral work. (In case you are wondering, this continues to be an issue for US clergywomen as well!) Two of the dioceses do not yet ordain women. The meeting was held in one of these, and many strong statements were made in support of women and women's call to serve in ministry. Thanks be to God for this gospel call that fully includes women!

Blessings to you all, *Cynthia and Mark*
