## PASTOR'S MESSAGE

**MEGAN FRYLING**

Senior Pastor

[pastor@bethlehemplutheran.net](mailto:pastor@bethlehemplutheran.net)

People of Bethlehem,  
The seasons of summer is upon us! The weather is heating up, the rains have subsided, and school will be ending for the year. I know that for many of us, this is also a season of travel and time away from home. Personally, I'll be spending the first week of this month in Istanbul for the wedding of one of my very dear college friends. A long trip like that means a lot of travel time and travel time is great for listening to music, reading books, or catching up on podcasts. Maybe you're traveling this summer and finding yourself in a similar situation.

Luckily for all of you, just in time for the summer travel season, we're introducing a wonderful new way to keep up with what's going on at Bethlehem on Sunday mornings!

Thanks to Pastor Ioan's hard work, we now have a Bethlehem Lutheran Church podcast! While it's certainly no replacement for your presence here on Sunday mornings, it's a way to hear a bit of what you've missed if you're traveling on Sundays. The podcasts are short- it's the choir song sung that day during 11 a.m. worship and a recording of the sermon. So if you particularly loved a song or a sermon, this is also an opportunity for you to listen to it a second time or to share it with family and friends.

So- how do you listen & subscribe?

You can find our podcast on any smart phone or computer through either the Spotify app or Spotify.com by searching for "Bethlehem Granada Hills". If you have an iPhone, you can find it by opening the Podcasts App, tapping the search icon at the bottom and then typing "Bethlehem Granada Hills". You'll know it's our podcast when you see our logo with a set of headphones on it. To have the podcast automatically sent to you when a new one comes out, just click "subscribe" on iTunes. Happy listening!

Blessings, *Pastor Megan*

## SUMMARY OF BETHLEHEM COUNCIL MINUTES – MAY 15, 2019

Present at the meeting were Pastor Megan, Pastor Ioan, Sarah Karzel, Janet Puchlik, Brian Grefsrud, Bev Compton, Lisa Nakata, Connie Troe, and Donna Ophus.

Bev opened the meeting with devotions and prayer. The minutes from the April 17, 2019, meeting were approved as presented.

There was approval of \$830.60 to be reimbursed to Pastor Megan out of the "council discretionary fund" for flight costs of our missionaries, Rev. Cynthia Holder Rich and Rev. Mark Rich, for their flight to California. \$1,800 was approved to come out of the "council discretionary fund" for a "Mental Health Aid" course that will be made available to members of the congregation.

After some discussion there was an inability to schedule a council retreat in June at a time when enough members could be present. The regular June council meeting will be June 19. Mary Fisher will be responsible for devotions at that meeting.

Sarah held a meeting with members of the congregation, answering questions and addressing their concerns.

Bev reported on her involvement over the past year in the Twin Valleys Strategic Visioning Team/Twin Valley Parish. A consultant, Kate Chatek, has been hired. Kate arrived at the council meeting and presented what the conference has been planning with a coalition of 7 congregations and what this all means for the Lutheran congregations within our area. A parish structure would be set up to accomplish the plan of the visioning team. On June 8, at Bethel, a vote will be taken to continue moving forward with the parish plan. This vote is not a commitment at this point but is a vote to continue working on the process.

The council authorized Bev to vote "yes" at the June 8 meeting, in establishment of an interim board. The interim board will then develop a "Memorandum of Understanding" (MOU), at which point another vote will take place to review the MOU and determine the path going forward and the level of commitment.

Pastor Megan closed the meeting with prayer.

*Donna Ophus, Secretary*

## PRESIDENT'S MESSAGE

Dear Fellow Members of Bethlehem,

First, thank you to those of you who took the time to meet with me on May 7 to discuss money matters. We talked about the merger, the endowment from the sale of the St. Stephen's property (recently named the Faithful Stewards Endowment Fund!) and the choices that will need to be made about where to focus our resources going forward. These conversations were very helpful as we head into budget preparation over the next couple of months. If you missed that session, not to worry. On June 9, there will be round table conversations after the combined 10 a.m. service that day. We will talk about some of the same issues about how money is being spent and how the gift of the endowment affects us. We will take a little time to dream together about how the proceeds of the endowment can be used to build our future and to advance our ministries. I look forward to seeing you all there.

June 9 is also the beginning of our Stewardship Drive. As you know, we have not had an organized stewardship effort for over a year. We will be focusing on time, talent and treasure. We hope it will be a time to prayerfully consider how best to connect to your church and to your community in a meaningful way.

Let me share a few updates:

Faithful Stewards Endowment (FSE) Bylaws – At the time of the merger, we thought we might, for the sake of efficiency, combine the new endowment with our existing MEF endowment. After some discernment, we concluded that in order to honor the MEF donors and their wishes, the funds should be kept separate. The Endowment Committee that has been overseeing FSE this year is working on Bylaws to govern the management, investment and dispersal of the fund. These Bylaws will be submitted to the congregation for a vote at the August budget meeting.

Tithe – The former Council of St. Stephen's pledged to use 10% of the proceeds of the sale of the church property immediately to support ministry in our community. They are considering proposals from a variety of organizations and causes and plan to reach a decision in July.

Back Hall Construction Project – Our Property and Grounds Chair, Gerry Puchlik, has prepared drawings that the city requires for the project and has met with the city to start the approval process. The goal is to transform the currently dark and cluttered space into a bright and welcoming flexible meeting space for both youth and adults. We are now looking for bids from contractors. If you know of someone who could take on the job, let me or Gerry or Evelyn know.

Respectfully Submitted,

*Sarah Karzel*

## SCHOOL UPDATE

### MEGAN FRYLING

Senior Pastor

Congratulations and blessings to all of our PreK kids who will be off to various elementary schools for Kindergarten or TK programs in the fall! We had our fun annual PreK graduation celebration on a gorgeous and sunny evening at the end of May. It's been a wonderful school year and we're all grateful for the fantastic staff and volunteers that keep things running at the school.

The school is closed on Monday, June 10th in preparation for the summer program that begins on Tuesday, June 11th. We have lots of exciting things planned for the summer, as always. There are fun and different activities this time of the year, but of course it's still a great educational experience where kids experience God's love for them while learning about the world around them. Happy Summer, everyone!

## ADULT EDUCATION TEAM MEETING

The next Adult Education team meeting is June 18 at 1:00 p.m.

## W/ELCA CRAFT GROUP

Do you like to craft? No need to be a "pro" as we have many ways you can work on different projects that will get us ready for our November Boutique (11/8-9/19). The dates we have set are Friday, June 7, 14, 21 & 28 starting at 9:00 a.m. and ending about Noon (or you can also come and go at anytime that works into your schedule) in Chandler Hall. Please come join this fun group!

## ADULT EDUCATION TEAM NEEDS YOUR INPUT!

The Adult Education team is proposing a Summer Academy, Sunday evenings in August, with two classes held each week., including children's games and crafts. What kind of things would you like to learn more about? Playing in the bell choir? Physical Fitness? The Body, Mind, Spirit Connection? Christmas crafts? Banner-making? Learning where favorite hymns came from and singing them? Board games? Crochet? Financial planning? Is there a topic or skill you'd be willing to share? Please talk to Marilyn Fursman (mcfursman@icloud.com) about your ideas.

## MEN'S MONTHLY BREAKFAST

## EVANGELISM

### LESLIE PETIT-EVANGELISM CHAIR

evangelism@bethlehemlutheran.net

#### Communication

How do we communicate at Bethlehem? We have Facebook, a website, newsletters, bulletin announcements, weekly email updates, posters, flyers, banners, the outdoor marquee, and even a whiteboard in the entryway. What are the new communications we are working toward? Soon to come are podcasts and a new look for our website. What are we missing? We don't have a Twitter account, text message system, or Snapchat.

With all that we are doing people still feel they are missing information. How could this possibly be? The first question to ask is who is our audience for each of our communications? Some are obvious such as the outside marquee or banners alert all who pass by what is happening. Some are less clear such as our website. Is it for prospective worshippers or for current membership? As we look to meeting the needs of our Bethlehem community and reaching out to our neighbors, we need identify the best ways to communicate.

We need your help to begin our communication identification. How would you best want to hear about Bethlehem information and under what circumstances? Would you appreciate prayer requests by an email or text or upcoming event notifications by email? Would you like to see us use Twitter, Instagram, Snapchat or some other social media outlet?

Your opinions and input is valued and appreciated. Please contact Leslie Petit to share how you feel. You may email her at [evangelism@bethlehemlutheran.net](mailto:evangelism@bethlehemlutheran.net) or phone at 818 443-3515 or talk to her in person. Thank you for your help.

## BETHLEHEM STEWARDSHIP CAMPAIGN

Hopefully you have received your stewardship letter by mail or email. We are excited for you to get your stewardship brochure with it's attached pledge card. Below are some key dates for our Stewardship Campaign. Thank you for your generosity to Bethlehem.

Round Table: Come join us June 9 after the one service for a round table conversation. We will break into small groups and talk about the stewardship of our church resources: how we use what we have and what our dreams are for the future use of our resources in reaching out to one another and to our community.

Ministry Faire: On June 23rd after both services you will have an opportunity to browse what the different ministries there are at Bethlehem. Many gifts and talents are needed for Christ's work. Where do your gifts and talents best fit? Plan to stay and explore the possible ways to serve. It is also an opportunity for you to highlight a ministry close to your heart. If you want a space to emphasize a ministry, please contact Leslie Petit.

Pledge Sunday: During worship on Sunday, June 30th, we will be collecting your 2019 Stewardship Commitment Cards. After the offering is collected, there will be a time for you to bring your cards up and place them near the altar. Within a couple of weeks, you'll be hearing from the leadership of the different areas where you indicated you would like to offer your time and talents to the ministry of the church.

## Getting to Know You: Pr. Megan Hunt Fryling

By Marilyn Fursman

Born in Ohio, Megan Hunt grew up Lutheran in Michigan, graduating from Hope College in Holland, Michigan with a Bachelor of Arts degree in English Literature, with an emphasis on Creative Writing. She earned her Master of Divinity degree, with an emphasis on Multicultural Concentration, from The Lutheran Theological Seminary at Philadelphia. Pr. Fryling has served as pastor at Bethlehem Lutheran Church since October 2014.

Before coming to Bethlehem, Pr. Fryling worked for six months at Prince of Peace Lutheran Church in Covina, coordinating small groups by interests. Before that she served about a year-and-a-half as pastor at Grace Lutheran Church in Covina.

In 2009, she served as a chaplaincy intern at Artman Lutheran Home in Ambler, Pa., where Rev. Linda Hatcher, said of her: "Megan is a pastor at heart. This was evidenced by the way she interacted with the residents here at Artman. She was deeply caring and insightful as she was able to provide spiritual care in ways in which it spoke to each individual....She has a gift for reaching people where they are...." Bethlehem members have described her as friendly and compassionate and especially good in one-on-one situations.

After graduating from college, she was unsure of what to do. In hindsight, it seems clear that God was preparing the path that led her to pastoral ministry. The Global Mission Department of the Evangelical Lutheran Church in America (ELCA) helped her connect with the Amity Foundation, which hired her to work in Guangxi Province, China, from 2006 to 2008. She was employed to teach English, British and American Culture, and British Literature.

While in China, she met Kyle Fryling; they became engaged there and married soon after returning to the U.S. Kyle's job with World Vision International takes him all over the world. World Vision is a global Christian relief, development and advocacy organization dedicated to working with children, families and communities to overcome poverty and injustice. They have a four-year-old son, Desmond, and are foster parents to another child as well.

She has worked at Concordia Junior/Senior High School in Sylmar teaching English to visiting Chinese students and at Green Planet, also in Sylmar, helping international students adjust to life in the United States.

She has studied the history of opera in Vienna, Austria; interned at National Public Radio (NPR) in Philadelphia; had training in Mandarin Chinese and French. Pr. Fryling loves poetry, music, concerts and gardening; but she has a real passion for tea—all types of tea.

Pr. Fryling says the best part about being a pastor is "the cool conversations with kids about faith." She believes the excellent music and engaging, interesting members will draw new people to Bethlehem. Her hopes for the merged church are for growth, increased outreach and a membership which, like the preschool, better reflects the ethnic groups in the neighborhood.

As a seminary student, her insight into the Church in transition still rings true today: "A time of transition can be scary because it leaves us in this balance between one thing and the next, this uneven ground. However, when we remind ourselves that God is present with us in this transition, it is something entirely different. The Holy Spirit works with us as we strive to share the good news of Christ with those around us, even when we're feeling uncertain. Maybe we don't know where we're going, but when we remember the transforming power of Jesus Christ, we know that he can bring a period of transition into a time of great and wonderful transformation." (*The Church in Transition* by Megan Hunt Fryling, March 9, 2011.)

## NEWS FROM OUR SPONSORED MISSIONARIES

Dear Friends,  
Christ is Risen! He is Risen Indeed! *Or, as we say here in Tanzania,*  
Yesu Amefufuka! Amefufuka Kweli, Kweli!

We write you, having celebrated Lent and Easter here at the University, where classes were on holiday Maundy Thursday-Easter Monday, and where there were opportunities to worship each of those days. Many of our students travelled for the holiday. The Evangelical Lutheran Church in Tanzania has a clergy shortage, so all dioceses expect our students to return home and help out with the holiest of days.

We have welcomed many visitors over the last two months! It has been good to see friends and share what we see God doing here at the University face to face with friends, synod representatives, and colleagues. If you are interested in visiting--please be in touch! We love to share about our work and where we see the Spirit moving.

We are in the midst of the rainy season, but the rains have not been as heavy as we experienced last year. We have attached our reflections on this, in light of the promise Easter brings, as our newsletter this month. There is a link to a video below that offers one view of the Sound of Resurrection here in northern Tanzania.

<https://www.youtube.com/watch?v=TA8Ut-050G8>

Cynthia was featured as one of two faculty "Inspirational Speakers" at the "University Night of Inspiration", held early this month. In her part of the evening, she shared about a number of young adult Tanzanians who are making a real difference in the world. The University television channel, Tumaini Student Television (TST), broadcast a report about the event. Here is a link to part of their report.

We are looking forward to seeing many of you up close and personal in August!

Blessings to you all, *Cynthia and Mark*
